绿色低碳发展分会：企业绿色低碳转型培训——范围三减排实践及经验分享

7月23日，协会绿色低碳发展分会联合美国环保协会（EDF）北京代表处主办了“企业绿色低碳转型培训：范围三减排实践及经验分享”活动，活动得到了CN100绿色低碳供应链链主企业联盟的支持。市外资协会秘书长范红、美国环保协会及绿色低碳发展分会领导团队成员出席。本次活动以线下举办、线上同步直播的形式进行，吸引了逾140位来自外资企业的可持续发展及供应链管理负责人参加。

分会领导团队成员单位代表、宜家（中国）投资有限公司公共事务总监栾奕指出，当前行业减碳重心已向覆盖全链路的范围三治理延伸，范围三减排已成为企业巩固长期绿色竞争力的关键议题。美国环保协会NZAA（净零行动加速器）主任Ellen Shenette在视频致辞中介绍了“净零行动加速器”平台，并期待本次活动能为企业实践带来启发。上海市节能减排中心应对气候变化部副主任张汇梳理了国际和国内的绿色低碳供应链政策趋势，并在应对路径上给予建议。SHEIN气候与环境可持续经理Amelia Yan分享了范围三减排路径，涵盖供应商气候转型、材料绿色化及物流低碳化等举措。迪卡侬中国可持续发展高级经理邱峻分享了供应链脱碳实践，如通过将可持续发展绩效与采购团队挂钩、组织绿电集采等对供应商的鼓励方式和举措。

圆桌讨论由美国环保协会企业伙伴关系主任冉泽主持，欧莱雅、百威、汉高、联合利华等企业的可持续发展相关负责人围绕范围三减排实践与挑战展开交流，嘉宾们介绍了各自企业的相关实践及举措。

Green and Low-Carbon Development Branch: Enterprise Green and Low-Carbon Transition Training – Scope 3 Emission Reduction Practices and Experience Sharing

On July 23, the Green and Low-Carbon Development Branch of SHFIA, in collaboration with the Environmental Defense Fund (EDF) Beijing Representative Office, hosted the "Enterprise Green and Low-Carbon Transition Training: Scope 3 Emission Reduction Practices and Experience Sharing" event, which received support from the CN100 Green Low-Carbon Supply Chain Leading Enterprises Alliance. Secretary-General Fan Hong of SHFIA, along with

representatives from the EDF and the leadership team of the Green and Low-Carbon Development Branch, attended the event. The training was held offline and simultaneously livestreamed online, attracting over 140 participants, including heads of sustainability and supply chain management from foreign-invested enterprises.

Luan Yi, Director of Public Affairs at IKEA (China) Investment Co., Ltd. and a representative of the branch's leadership team, noted that the industry's carbon reduction focus has now extended to Scope 3 emissions across the entire value chain, making Scope 3 reduction a critical issue for companies seeking to strengthen their long-term green competitiveness. Ellen Shenette, Director of the Net Zero Action Accelerator (NZAA) at EDF, delivered a video address introducing the NZAA platform and expressing her hope that the event would inspire practical action among enterprises. Zhang Hui, Deputy Director of the Climate Change Response Department at the Shanghai Energy Conservation and Emission Reduction Center, reviewed international and domestic policy trends in green and low-carbon supply chains and offered recommendations on response strategies. Amelia Yan, Climate and Environmental Sustainability Manager at SHEIN, shared Scope 3 reduction pathways, covering initiatives such as supplier climate transition, material greening, and logistics decarbonization. Qiu Jun, Senior Sustainability Manager at Decathlon China, shared supply chain decarbonization practices, including linking sustainability performance with procurement teams and organizing collective green power purchasing as incentives for suppliers.

A roundtable discussion, moderated by Ran Ze, Director of Corporate Partnerships at EDF, brought together sustainability leaders from L'Oréal, Budweiser, Henkel, and Unilever to exchange insights on Scope 3 reduction practices and challenges. The panelists presented their respective companies' initiatives and measures in this area.
